Hike Onanda

Onanda Park boasts more than two miles of hiking trails on over eighty acres located on the west side of County Rd. 16, about eight miles south of the City of Canandaigua.

Experience the varying land formations and flora within the park and visit the stations along the parks hiking trails. Nearly 200 species of birds have been recorded, deer abound and several other mammals that a keen observer might spot. The old fields, young woodlands, climax forests and shaded glens harbor hundreds of different species of flowering plants, ferns, shrubs, vines and trees. Encounter rustic benches along the hike and two waterfall lookout decks: one with a

covered seating area providing spectacular views of the gorge, waterfall and lake. The Onanda trails and trail structures have been developed in cooperation with the Conservation Department of Finger Lakes Community College. Park staff, FLCC faculty, and students have produced what exists today.

Stop by the gatehouse for a hiking guide.
